IDP Procedural Documents from the WRC

Dear Mr. Pote,

We are forwarding a copy of an interpretation by the WRC of the Environmental Responsibilities of Local Government in terms of the Constitutional Act 108 of 1996, Local Government Municipal Structures Act of 1998, White paper for Sustainable Coastal Development in RSA, Eastern Cape Coastal Management Policy and a summary of the IDP planning process.

We trust that you will forward copies to Mr. Sizwe Mvunelwa, Mr. Bill Paterson and Mr. Gert Jordaan. There will be another workshop specifically relating to estuarine Coastal Management later in the year which will also be a guiding document by the Water Research Commission (WRC).

Yours faithfully,

Johann Smuts

Chairman Bushman's River Ratepayers Association.
