### **EIA Process Portion7 of Marcelle No348 and erf 343 Bushmans River Mouth**

Dear Sir,

We would like to register as an interested and affected party in the the rezoning of Portion 7 of Marcelle 348 and erf 343 from agriculture to residential.

Our concern is in all developments with regard to impact on resources, infrastructure and type and size of development to ensure that it blends with the Village and that adequate thought, planning and provision has gone into supplementing the real impact on municipal resources (water, sewerage, waste disposal, access to rivers, resources and roads).

We are also concerned with the environmental impact with reduction in open space in the Village environment.

Yours faithfully,

Johann Smuts

Chairman Bushman's Ratepayers Association
